- Recorded at Rolling Thunder Studio
- Mastered at Artisan Sound Recorders
- Digital remix (1988) - Tom Flyte

Notes

Hunter discussed this album in an interview in 1984;

I like Garcia's arrangements and production on it, and I like the songs. The only thing I can't stand is the vocals. I played it for the first time in years the other day and I was horrified.

The vocals were re-recorded in 1988 for the re-release of the LP in 1989.

Reissues

Reissued in 1989 in a revamped edition on CD by Rykodisk RCD 10115

Reissued in May 1989 in a revamped edition on LP and CD by Grateful Dead Records (GD CD 4010)
